Screen layout

The diagram illustrates the layout of the IB eCoursework interface. Four callout boxes provide descriptions for key features:

- Coursework portfolio:** Upload coursework and build your portfolio for each subject.
- Search:** Search for uploaded files.
- Preview:** Preview uploaded files.
- File storage:** Upload files to a storage area to assist with building your portfolio.

The interface itself shows a user profile for David Jones (Candidate ftr409 • 000001) with a search bar and a 'Preview' button. The main content area is divided into two sections: 'Rationale and Written Assignment' and 'TOK Essay'. Each section includes an 'Upload' button and a file upload area. The 'Rationale and Written Assignment' section shows '0 Uploaded / 1 Required' and supports documents up to 50 MB. The 'TOK Essay' section also shows '0 Uploaded / 1 Required' and includes a note about 'Additional information required'. On the right side, there is a 'Drag & Drop' area for uploading files, with buttons for 'Upload to File Storage' and 'Upload from Google Drive'.
