## Mu Alpha Theta

**District Champs For 21 Consecutive  
Years!**

(Picture taken on April 3rd at the USF Math Bowl)

Mu Alpha Theta is the national mathematics honor society. Our KHS chapter of Mu Alpha Theta has more than 60 members, of whom approximately one-half actively compete in a series of math competitions around the state. For example, King hosted a Regional Mu Alpha Theta competition this year, and won 1st place Sweepstakes (overall champion) honors.

**Our students have won more than 100 trophies this year, in 2 county events, 3 regional competitions, and 1 statewide event.**

Dr. Barbara Emil is the lead sponsor for the past 14 years, joined for the past 5 years by Mr. Paul Thorne and Ms. Mary Finneran-Wathen. Each coaches different teams and chaperones the competitions, which primarily occur on weekends.
