## What is the marching band fee?

**Annual band fees** are \$165 paid to *KHS Band Boosters*. This helps pay for special instructors, transportation, music., show design and choreography. Payment plans are available upon request. Checks, cash, money order, AND credit card are acceptable for annual band fees.

**Instrument & Uniform Rental fees** are separate fees paid to the school.

**\$43.40 - Instrument Rental (Yearly)**

**\$37.98 - Uniform Rental**

Cash or Money order only for Instrument & Uniform fees made payable to *King High School*

## Why take band?

When students enter a new situation, life can get more difficult to handle. The KHS Marching Lions is their home away from home, providing multiple "brothers and sisters" that will help guide them through the high school experience.

These students will learn about commitment, dedication, leadership and other intangibles that cannot be measured by a standardized test.

**Students who can work well with their peers have success later in life.**

## Can I balance band with a busy schedule?

**Absolutely!** Many of our band students are involved in other sports, clubs, AP & IB Classes. They find that effective time management skills are learned THROUGH participation in band.

### What does the marching band schedule look like?

In the fall, Marching Band rehearses on Mondays from 3:30-6:30pm & Thursdays from 4:30-6:30pm. We perform most Fridays at Home & Away football games. There are also a few select Saturdays that are rehearsals or competitions. For a full calendar, check out our website, [www.khsmarchinglions.com](http://www.khsmarchinglions.com)

#### Earn CAS Hours! (IB Students)

Marching Band takes time, and with that time come required CAS Hours for IB Students.

Marching Band students earn **Creative** and **Action** hours very easily during the fall season.

Opportunities for **Service** hours are also available.

#### Performance Opportunities

We perform all around the Tampa Bay Area and the nation! From local Publix Supermarkets and All King High home & away games, to various band competitions and concert halls like Carnegie Hall.
