KHS Mentoring Program

The program is going well. So many faculty members highlighted more positive changes with their students and they are building an unforgettable bond. Mrs. Mitchell brought everyone together for a lunch. If you would like to sponsor mentoring at King with monetary or other donations, please email nishira.mitchell@sdhc.k12.fl.us. This is an initiative that highlight the bonds that all King students share as the group is comprised of IB students and non IB students.
