

# C. LEON KING HIGH SCHOOL INTERNATIONAL BACCALAUREATE PROGRAMME 2020-2021

Student Name (Last, First): \_\_\_\_\_

Student #: \_\_\_\_\_

**1. Ninth grade students are required to take the following core Pre-IB Honors courses:**

- English I H
- Inquiry Skills
- Algebra II H
- Biology I H
- U.S. Government & Politics H / World History H

**2. In addition, all ninth graders select a foreign language that they will take for four years. Please check your foreign language choice below:**

Check One (✓)	
Spanish I	
French I	

Note: All students will begin in Spanish I Pre-IB or French I Pre-IB due to the difference in focus and coverage in the IB Diploma Programme, regardless of whether a student has previously earned credit in foreign language.

**3. It is strongly recommended that all ninth grade students take a JA (study hall) all year. By choosing an elective, you are limiting or forgoing JA time. We do understand that students enjoy elective courses and if you are interested in an elective, we will enroll you in the course if your schedule permits. Please select electives from the list on the back of this page. Electives with an asterisk (\*) are only one semester.**

OPTIONS	Check One	If applicable, indicate elective name(s) in the box below.	
		Semester I	Semester II
JA every day, all year	<input type="checkbox"/>		
JA every day for 1 semester, and one ½ credit elective with a short JA for the other semester	<input type="checkbox"/>		
One 1 credit elective or two ½ credit electives with a short JA	<input type="checkbox"/>		
Two electives and no JA	<input type="checkbox"/>	1.  2.	
Alternative elective choice(s) <i>*In the event your first choice(s) are not available.</i>	<input type="checkbox"/>	1.  2.	

**4. Indicate which level of mathematics your child is pursuing.**

- \_\_\_\_\_ My student will complete Algebra I in middle school.
- \_\_\_\_\_ My student will complete Geometry Honors in middle school.
- \_\_\_\_\_ My student is not currently enrolled in Algebra I but will complete during summer 2019.

**Fall enrollment is contingent upon successful completion of Algebra I.**
